Chirag Mishra

Kishangarh, Ajmer | +91 6375960815 | Chiragmishra2511@gmail.com

Summary

Creative and detail-oriented Web Developer with a strong foundation in front-end and back-end technologies, currently pursuing a Bachelor's in Computer Science at Central University of Rajasthan. Experienced in building responsive, dynamic, and interactive web applications using HTML, CSS, JavaScript, TailwindCSS, and modern frameworks like Express.js and MongoDB. Built and deployed online systems like Student-Teacher Bookng System and Catering Reservation apps. Adept at integrating APIs, creating smooth animations with GSAP/AOS/anime.js, and managing authentication and database connectivity. Passionate about clean UI/UX, optimization, and solving problems through scalable web solutions.
